Parking permits will be available at the registration table on the day of the workshop.

- Important Reimbursement Information

Attendees who have been offered support should keep two rules in mind. Reimbursement for air travel can only be made for travel on **US Flag Carriers, REGARDLESS OF COST**. (For example, travel on airlines such as United, Continental, USAir, and others that are United States based are allowable. Travel on airlines such as Lufthansa, SAS, Air Canada and other airlines based outside the US cannot be reimbursed by DIMACS.)

The second rule to keep in mind is to get original receipts for all reimbursable expenses.

- **If you're coming from abroad, check the latest visa requirements (they are changing all the time)**

and get an early start on obtaining a visa.
